IALD WELCOMES NEW PROFESSIONAL MEMBERS

CHICAGO, IL USA, 1 AUGUST 2019 | The IALD is pleased to welcome the following Professional-level members to the IALD.

IALD Professional membership is available to architectural lighting designers who have at least five years of experience in the field in the role of senior designer or above in an independent consulting practice. IALD members worldwide must meet the highest educational and ethical standards in order to belong to this prestigious community, and are accepted as Professional members on the strength of their portfolios and recommendations.

The following members was accepted to the IALD between 1 March and 31 July 2019:

FANG FANG, IALD
Zhejiang Institute of Architectural Design
Hangzhou, Zhejiang, China
www.zuadr.com

Fang Fang, IALD, is a Master of Engineering Student at Nanchang University with over 12 years of experience in the lighting design industry. She also holds a degree from the China Academy of Arts, majoring in Public Art. With her background in public art, she has been able to use her skills to specialize in architectural lighting, landscape, and interior lighting design. Fang uses a multi-professional approach to perfect a combination of “beauty and quality.”

EMAD HASAN, IALD, LEED AP BD + C
Associate Principal
The Lighting Practice
Philadelphia, PA USA
www.thelightingpractice.com

Emad Hasan, IALD, LEED AP BD + C, joined The Lighting Practice in 2005 after earning a Bachelor of Architectural Engineering with an emphasis in Lighting Design and a Minor in Architectural Studies from The Pennsylvania State University. In 2019, Emad was promoted to Associate Principal, overseeing design direction for individual projects, facilitating day-to-day operations and pursuing new project opportunities through marketing & business development. Emad has designed architectural lighting for university buildings, high-end corporate interiors, healthcare facilities, hospitality, urban environments, exterior façades and more. He uses his keen interest in film and photography as inspiration and to guide him through the design process. Emad was recognized by Lighting Magazine for his leadership in lighting design as a 40under40 class of 2017. He is also an active member of the International Association of Lighting Designers (IALD) and Urban Land Institute (ULI).

ALAN MCINTOSH, IALD
Senior Lighting Designer
Mulvey & Banani Lighting Inc.
Toronto, Canada
www.mbii.com

Alan McIntosh, IALD, is a senior lighting designer at Mulvey & Banani Lighting Inc., (MBL) in Toronto. Alan’s career sprung from his studies in theatre and film that encompassed a variety of technical aspects, including theatrical / performance lighting, audio visual systems design, and multi-media design, direction and operation. Alan has drawn from his multi-faceted background to make ground-breaking design contributions to some renowned, award winning attractions: Ripley’s Aquarium of Canada, Toronto; Moi Park, Mall of Istanbul, Turkey; Mega Parc, Quebec City; Prince Edward Viaduct-Luminous Veil, Toronto; Lusail Tower, Doha Qatar and Niagara Falls Illumination, Ontario / New York.
